Hi Kevin,

Yes, i've been in contact with Sari about this. I'll wait to see what the General Notice says to see if I have any questions.

Hi Bill –

I wanted to follow up on a voicemail I left yesterday (it was an automated voice, so I may have used an old number). You may have already heard from Sari about the general notice that EPA is in the process of sending out. I wanted to touch base with you to see if you had any questions. Pam Travis and Sari have had a couple of discussions already.
